- \* Writing: ( ) very good ( ) good ( ) less good ( ) not at all
- \* Understanding: ( ) very good ( ) good ( ) less good ( ) not at all
- \* Speaking: ( ) very good ( ) good ( ) less good ( ) not at all

You can have a first orientation about your level of German under the following link:

<https://www.goethe.de/de/spr/kup/tsd.html>

German language certificates already achieved: \_\_\_\_\_

Other language skills, level: \_\_\_\_\_

**Required German language courses and certificates before the beginning of the medical training**

A) German language skills at least B2 level - with recognized German B2 certificate.

(Details on page 3).

B) German language course for doctors at C1 level - with examination by the competent local medical chamber in Germany. (Details on page 4).

**A) German language skills at least B2 level - with recognized German B2 certificate**

The language skills at B2 level as well as the B2 certificate will be reviewed before the medical training by the competent state office in Germany.

If you do not have the B2 certificate yet, we can provide you on request with contacts to German Schools in Germany, where you can attend the B2 examination.

Please enter a cross in the corresponding box:

I have achieved the C1 or C2 certificate.

Date of the C1 or C2 certificate (please specify), issued by \_\_\_\_\_

I have achieved the B2 certificate.

Date of the B2 Certificate, issued by \_\_\_\_\_

I do not have the B2 certificate yet, but I have already the appropriate German language skills at B2 level and I'm ready to take the B2 exam in my country or in Germany.

I need more information about the place where I can take the B2 certificate in Germany.

I do not have the B2 certificate and German language skills at B2 level yet.

Additional:

---

**B) German language course for doctors at C1 level - with examination by the competent local medical chamber in Germany**

The corresponding and required examination takes place at the competent local medical chamber in Germany.  
Examination fees: € 420,00.

If you pass the trial period in a clinic arranged by DOC JOB EU, we will refund you these examination fees.

If you have not yet completed a "German for Doctors" course, we can suggest you an online preparatory course.

Please enter a cross in the corresponding box:

- I have already attended a course "German for Doctors" at C1 level and I am ready to take the examination by the competent local medical chamber in Germany.

Completed course, Date, issued by \_\_\_\_\_

---

- I have not attended a German for Doctors course at C1 level yet,
- and I am already training myself at C1 level in medicine.
  - and I am interested in an online course German for doctors at C1 level.
